

Pricing page

Fees for the NORA 2025 Conference are determined by NORA membership status and what meeting sessions you are attending as noted in the chart below. There are no discounts available for multiple Professionals/Allied Professionals attending from the same office/practice. Your registration form will automatically configure pricing depending on your status. Early Bird pricing is ONLY available for members through Monday, May 26, 2025, and will automatically be applied to your final total. On-site registration will be an additional \$100.

***Beginning in 2025**, Clinical Skills I will be expanded to include an additional day of didactic instruction, divided into **CSIA and CSIB** for a total of 12 hours of COPE-approved education.

- **CSIA** will be delivered online in three 2-hour sessions (6 hours total) in the three months leading up to the in-person conference (exact dates to be announced by May 15). These sessions will be recorded, so they can be viewed at any time prior to the conference. ALL those signing up for CSI in 2025 will benefit from this structure.
- These sessions are designed to better prepare participants for the revised, integrated hands-on **CS1B**.
- **CSIB will be Thursday day at the conference**

Full Conference (Thursday-Sunday) Includes Clinical Skills Workshops Friday, Saturday Sunday Sessions only	Full Conference (Thursday-Sunday) Includes Clinical Skills Workshops; Clinicals Skills 1 will have 2 days CS1A and CS1B in 2025, with CS1A occurring online in the months leading up to the Annual Conference*	Conference only Friday-Saturday-Sunday
